The Vietnam Veterans Memorial Fund, the organization that built The Vietnam Memorial Wall in Washington, DC, is collecting photos for each of the 58,272 men and women listed on The Wall. 3,416 of these names are from Texas.

Photos and stories of these Texans will be preserved and displayed at the Education Center at The Wall in Washington, DC; a center that will bring faces to the names of all 58,272 service members listed on The Wall and display a collection of moving tributes that have been left at The Wall since it was built. The Education Center will also tell the story of all the men and women who have fought for our country, from Bunker Hill to Baghdad, to keep their memories alive and honor those who have paid the ultimate price for our freedom.

By collecting photos and donating to the Education Center at The Wall, Americans are helping us all remember these brave men and women and show them long-overdue gratitude for their unthinkable sacrifices.
